

## Project Reference

### Marriott Hotel Momi Bay Fiji

More information and photos are available on the following link:  
<http://www.aomaus.com.au/projects/marriott-hotel-momi-bay/>

**Year:** 2016  
**Client:** Aquaheat South Pacific Limited

**Project:**  
AOM Australia was designated to supply all kitchen exhaust hoods for the Marriott Hotel development in Momi Bay, Fiji. The new Momi Bay Resort Fiji opened in April 2017.

#### AOM Equipment

17 x AOM HC Series kitchen exhaust hoods with ozone injection for odour mitigation.

High efficiency filtration kitchen exhaust hood over the Parilla grill.

Transport of hoods and site commissioning.

The supply of 17 kitchen exhaust hoods was done over a 3 month manufacturing period, which were then shipped to site.

AOM also ensured site commissioning of all the equipment together with the mechanical contractor.
